FAQ - Registration & Arrival

Event Registration? Teachers can register their classes at Through Camille Anderson District Curriculum Support Teacher, Mission Schools.

Day of Sign In - This is a teacher-supervised event where youth and educators will, at their leisure, participate in the program activities offered, wander the “pits,” and watch the racing. Our YES day portion of the day will run from 9AM -2 PM. Youth are encouraged to keep their wristbands on and return back to the race track for free all weekend long with their families. Families will need to purchase spectator passes to gain entry.

When Students arrive, where will they go? Youth being dropped off by parent volunteer drivers be assigned a portion of the parking lot as a drop-off and pick-up zone. Youth arriving by bus will be directed to a bus parking area in our parking lot. Once your class is all together, teachers can sign in and obtain wrist bands at the registration tent, before walking in to the Pits/YES Day program area.

How will the MRP Staff know we are YES Day participants? YES Day participants will be emailed a parking pass that can be shown at the gate to allow access to the YES day zone in the parking lot.

Students, Teachers and supervisors will be given wristbands upon check-in to identify that they are with the YES Day program; these must be worn at all times while on site.

FAQ - Facility

Is the racetrack mobility friendly?: The race track is situated on 88 acres of flat land, with a combination of paved roadways and compact gravel to get around on. The racetrack has wheelchair accessible stalls in the bathrooms. For those with mobility needs Racetrack staff will escort you from the parking area over to the Pit area. For those who need we can arrange transport via Golf Cart from parking area, please contact us ahead of time to arrange.

Is the race track noisy? - Yes, at times the race track can be very noisy. Some of the racecars are louder than others, so bringing ear protection is advised, especially for those with noise sensitivities.

Is there shade at the race track? - Shade is limited at the racetrack. We will have 10x10 pop-ups to help create shade areas for youth; however, it is best to come prepared with sun hats, sunscreen, and water bottles.

Will we be the only people at the track? - No, this is a large public event. Teachers should be prepared to supervise youth in a busy public environment.

Can we pack in our own lunches? - Yes, students and teachers may pack in your own lunches. Alternatively, our concession will be open as well as our Ice Cream stand.

Is there a concession stand on site?: Yes there is a concession stand on site, with burgers, hot dogs, chicken strips etc.

FAQ - Off Limits Areas

Are any areas of the property off limits?: Yes there are restricted and off limits areas of the race track facility.

The Beach Area is off limits to all youth during the YES Day event. Families may go down to the beach AFTER the YES Day event has commenced, however they must note that NO ONE UNDER THE AGE OF 16 IS PERMITTED AT THE BEACH WITHOUT ADULT SUPERVISION, and the beach area is “use at your own risk”, with the BCCCA assuming no liability for users of the public beach space.

Racers pits are restricted areas, we ask that students wait to be invited into a racers pit area before entering. Students may look at racecars from outside the pit area, please do not touch race cars, parts, or tools.

Staging Lanes and Starting Line area, the area where cars line up for their turn to race, is off limits at all times. As is the area near the starting line. Please stay behind all fencing and away from racing areas. You can get a great view of the starting line from the Bleachers near the tower.

Movie Prop Parking Area, There is a large parking lot on the pit side of the property where movie cars are parked, while this area is really cool to look at, this area is strictly off limits, please stay out.
